Facebook (Social Media) Guidelines Policy

Facebook and other social media sites (Twitter, Instagram, Instant Messenger, MySpace, etc.) can be a very powerful communication or educational tool for today's society. Employees in the Port Jefferson School District (PJUFSD) from time to time may embark in the social media world and leverage these tools. The following guidelines have been established to provide all employees direction on the appropriate use of Facebook and other social media sites.

Personal Use of Facebook and other Forms of Social Media

District employees are encouraged to keep their personal lives personal even in the digital world where personal and professional can become blurred. District ~~procedure~~ policy prohibits employees from "friending" students on their personal Facebook account. ~~Procedures~~ Policies also discourage "friending" parents of students. If an employee has a personal Facebook account, the following response is recommended when denying such requests.

Sentence for staff to respond to "friend" requests on their personal Facebook page: *If you are a student or a parent requesting to be my "friend" on Facebook, please do not be surprised or offended if your request is ignored. As an employee of the Port Jefferson School District policy discourages me from "friending" students or parents on my personal Facebook page.*

Professional Use of Facebook, etc.

When using Facebook as a part of official duties as an employee of PJUFSD, the following guidelines should be followed:

- Before doing anything on Facebook, the employee's school administrator must be contacted.
- A designated school administrator must be added as an administrator to any page created (athletic team, co-curricular club, etc.)
- When using Facebook with a particular class, or group of students or parents, the page should be set up as a "group" page.
- When using Facebook as a communication tool with the masses, the page should be set up as a "fan" page.
- The personal security for the individual establishing the page should be set so students cannot view personal information about the employee. For example: set all security "for friends only".
- When building a page, the page in the page description area must be identified as a classroom or organization in the "PJUFSD".
- All District style guidelines for names, colors and logo usage must be followed.
- The PJUFSD Facebook Rules of Engagement must be posted on any page created. (see below)
- The creator of the page is responsible for monitoring content on the page and deleting any posts that violate the rules of engagement.

- The PJUFSD reserves the right to remove any Facebook page that does not follow the rules of engagement.
- Beginning with the 2012-13 school year all of the above guidelines must be followed. If a page is currently established for work purposes, it must meet the above criteria. Failure to follow the established guidelines may result in disciplinary action.

PJUFSD Facebook Rules of Engagement (If a page is to be established by the District)

PJUFSD Facebook Rules of Engagement must be posted on any page associated with the District, a school in the District or the official duties of any staff member.

The goal of using Facebook by PJUFSD, all of the schools in the District and teachers or sponsors associated with those schools is to share important information with our public and engage in an open and respectful dialogue. To help us accomplish this goal we ask that employees abide by the following guidelines:

- Open conversation not personal issues. The page is not intended to circumvent regular communication channels for sharing personal issues and concerns. Comments regarding personal issues with the District, a school or staff member will be removed.
- Be respectful. Personal attacks or comments that are deemed offensive to any member of our community will not be tolerated. Inappropriate remarks and profanity will be removed.
- Stay on topic. A page is one dedicated to the education of students in the PJUFSD. The conversation should be related to our District, schools and activities. Comments of all kinds are welcome so long as they directly relate to our District, schools and activities.
- If there is a question for a specific employee, contact them privately. Fans should not expect responses to every question or comment posted on this page.
- Be aware of the mission. The mission for PJUFSD is education. Be certain that comments are appropriate for an educational environment and fans of all ages.
- Be factual. Blatantly inaccurate information will not be allowed. False information will be removed and factual information will be posted.
- Employees of the PJUFSD may have personal Facebook pages. Individuals requesting to “friend” an employee of the District should not be surprised or offended if the request is ignored; District policy encourages staff to keep their personal lives personal.
- The page is that of the employee, and the employee is to feel comfortable sharing views about the PJUFSD, schools or activities. However, abuse of the above guidelines can lead to removal of a specific posting or the blocking/removal from our fan page, or the imposition of disciplinary action, if appropriate.
